

# SESSION PREMIUM LAGER

Mom was an import.  
Dad was a 40.

Good things come in small packages.

Named #1 American Pilsner on the “Top Ten List of lagers Brewed in the United States,” Session Premium Lager is as popular with the critics as it is with all us beer lovers, winning 20 gold medals among many others.

## Crisp. Clean. Refreshing.

Session Premium Lager is a classic all-malt, pre-Prohibition style lager that reminds us what American lagers used to taste like. Named World’s Best Premium Lager at the World Beer Awards, Session is brewed with American and European Hops for a wonderful Noble Hop aroma and 2-row Barley Malt with a touch of Wheat Malt for a pleasant, refreshing finish.

ABV 5.1% IBU 18
