

Rush River

BREWING COMPANY

Rush River beers are handmade in River Falls, WI by locals for locals. All of our beers are UNFILTERED and UNPASTEURIZED which gives them more flavor, a robust mouthfeel as well as many health benefits. They are meant for local consumption only, as they are a fresh product. As such, they need to be refrigerated to stay at peak flavor. We use no additives or finings in our products. Inside every bottle there remain residual amounts of yeast that will settle out if left undisturbed and cold. This yeast can be mixed back into the beer with a gentle shake, or the clear beer can be slowly decanted off the top. Our yeast strains are custom made for us in Oregon, and all of our barley, wheat and hops are American grown.

YEAR-ROUND

THE UNFORGIVEN AMBER ALE

Rich in flavor and mildly sweet, this amber ale is dry-hopped in the conditioning tank to add a subtle herbal nose. The robust caramel color and flavor is complemented with a frothy head that leaves a thick lacing on the glass. A classic session ale, great with food. ABV 5.5%

MINION INDIA PALE ALE

Please welcome Rush River's newest IPA! The Minion is aggressively hopped in both the kettle and conditioning tank. A large dose of Mosaic hops creates a nice apricot/mango finish against a soft malted caramel backbone. ABV 7.0%

SCENIC PALE ALE

Coming soon.

BUBBLEJACK INDIA PALE ALE

Incredibly smooth, this ale is truly a phenomenon in taste. This American Style IPA is brewed with a lighter grain bill which allows the various Yakima Valley hops to shine. BubbleJack IPA is also dry-hopped prior to packaging for an added hop aroma. ABV 6.5%

DOUBLE BUBBLE IMPERIAL INDIA PALE ALE

This hop-whopper is the bigger brother to our very popular Bubblejack India Pale Ale. For this version, we've doubled the hops, and added three pounds of local honey per keg. Extremely smooth and slightly sweeter than the original, a little bit goes a long way. ABV 9.0%

MIXER LOST ARROW PORTER SMALL AXE GOLDEN BUBBLEJACK IPA THE UNFORGIVEN AMBER

Four favorites in one delicious dozen.

SEASONAL

ÜBER ALT ALTBIER

Our Alt is a much stronger version of the traditional Dusseldorf Altbiers. We use plenty of European hops and German pilsner malts to brew a remarkably clean beer. We then rest it in the cooler for two months to achieve the mellow finish that is the Überalt's trademark. ABV 8.5%

NEVERMORE CHOCOLATE OATMEAL STOUT

This Winter seasonal is extremely dark and flavorful. Rolled oats give it a smooth feel, while the addition of premium cocoa makes this stout a sure crowd pleaser. Somewhere between coffee and chocolate cake. ABV 8.0%
