

Strawberry WHEAT

Brau Bros' Strawberry Wheat is a throwback ale brewed originally at the local pub in Lucan. Enjoyed by Lucanites for years, this light and refreshing ale combines the tanginess of wheat with just a hint of strawberry fruit. This American Wheat Ale starts and finishes clean, with just a touch of Sterling hoppiness to keep the beer honest.

Description:

Brau Brothers Strawberry Wheat is a combination of traditional American wheat ale and fruit ale. Subdued hop flavor and aroma give way to pronounced strawberry notes. Wheat malt constitutes 50% of the malt bill and lends trademark sweetness that rounds out the beer. Top this off with just a hint of vanilla and we have brewed a truly unique and flavorful ale!

Service:

Brau Strawberry Wheat is unfiltered and will glow a bright straw color. Wheat's high protein produces a tight and solid head as ample conditioning contributes a champagne-like effervescence. Tall, pilsner-type glasses will accentuate the look of this bright beer while wrapping up the robust strawberry aroma. This beer can be served with a variety of citrus and seed fruit and can be mixed in many different mimosa-style drinks.
