Black as the sky on a moonless night, BLAKKR (old Norse for Black) is an Imperial Black IPA with flavors of black licorice and bitter sweet hops with strong hop aromas of pineapple.

Blakkr was born when the most metal BrewMasters felt compelled to learn about each other's brewery processes, drink beer, listen to metal and brew the most metal beer ever.

*"It's like if Abrasive and Darkness had a baby.... a tasty baby."*

-Surly Head Brewer Todd Haug
