

# MIGHTY RED

## IMPERIAL RED ALE

Mighty Red is a West Coast style Imperial Red Ale with a rich, malty body supporting a huge citrus and spice hop presence. Caramel malt and oats provide the rich, smooth body, while Midnight Wheat provides the red color and roast character. The Chinook hops provide intense grapefruit and pine notes, while the Goldings provide a slightly sweet, spicy and fruity counter. Remember, when the waters get high, don't get mad... get Mighty!
