SMOKESTACK SERIES - LIMITED RELEASE

LOVE CHILD NO. 8

Boulevard's Love Child Series of "wild" ales are barrel-aged with such boisterous cultures as Lactobacillus and Brettanomyces. These wayward offspring can prove so complex that we employ gauges on the label to convey the intensity of three key personality traits, Funk, Sour and Fruit, presenting a picture of the ale at the time it was released. It will change as it ages, but don't we all? A blend of wood-aged sour beer, Love Child No. 8 is composed of multiple vintages of a Flanders-style sour red ale and a sour Belgian-style golden. This release features soft lactic acidity punctuated with slight acetic notes and a tart, fruity flavor reminiscent of sour cherries and green strawberries.
