

CENTRAL WATERS
BREWING CO.

CASSIAN SUNSET

A bourbon barrel aged imperial stout with local Emy J's coffee, whole vanilla beans, and cinnamon. The flavor profile of this wonderful beer boasts a lush mouthfeel, with just the right amount of creamy spice character to meld with the rich malt and barrel aged profile.

THE ART OF BARREL-AGING

Central Waters Brewer's Reserve Collection all began more than a decade ago with our Bourbon Barrel Stout, helping define an entirely new category of beer. Today our barrel-aging program is the largest in Wisconsin and widely considered among the best nationwide.
