

HAZE CRAZE

SESSION IPA

Haze Craze is our hazy IPA style that is big on juicy, citrus hop aroma and flavor. The hazy appearance comes from the aggressive amount of late-hop and dry-hop additions of Mosaic, Galaxy and Citra. The combination of these late addition hops produces an easy drinking beer that is low on bitterness and big on flavor. The Hop Haze is Rolling In!

MALTS	Golden Promise, Marris Otter, Munich
HOPS	Mosaic, Galaxy, Citra
